

For Planners & Agencies

A staffed, on-site flower experience you can drop into any program · Central Florida

The on-site flower experience that builds your culture. Your brand on the truck, your team building their own bouquets, and a moment of appreciation they carry home. We bring the truck, the flowers and the Floweristas, and handle setup, service and pack-out. Appreciation that goes home: when your team carries their bouquets home, their families feel it too.

What we offer

Mobile Bouquet Bar — \$35 per guest, 50-guest minimum. Each guest builds a 5-bloom bouquet with greenery & baby's breath included.

Flower Crown Experience — \$55 per crown, 50-crown minimum, fitted on site.

Travel — included within 20 miles of Apopka; beyond that \$50/hour + \$0.67/mile.

Service formats (same \$35/guest)

- **Pre-made bouquets** — fastest; ideal for very large groups or grab-and-go send-offs.
- **Build-your-own bouquet bar** — the full interactive experience.
- **A mix of both** — guests who want to linger build their own; others grab one ready-made.

We recommend the right format for your headcount, timeline and event goals.

Your client's brand, not ours

No prominent vendor branding on the truck. It's a clean canvas for a custom decal with your client's logo or event theme, plus personalized chalkboard messaging and a palette matched to their colors.

An extension of your client's company

Corporate events ask more of a vendor: volume, polish and an understanding of culture. That's where we shine. We treat every event as an extension of your client's company — professional, polished, on-brand and on time.

Logistics highlights

- **No power needed** — fully self-sufficient; no outlets, generators or cords.
- **Setup** about 45 minutes · **teardown** about 30 minutes.
- **Service window** typically 1–3 hours, tailored to your event.
- **Footprint** — 1996 Honda Acty kei truck (about 10'8" × 4'7"); plan about 20 × 15 ft. Flower carts can be added for larger groups.
- **Indoors** — table and cart setup with umbrellas and chalkboards; no truck needed.
- **Rain plan** — your choice of a covered area or the indoor setup. We never set flowers out in the rain.
- **Large venues** — we've set up inside the Orange County Convention Center.

Use it to manage guest flow

- **Send-off station** at the exit — a gracious close that helps the program wrap on time.
- **Line relief** at receptions — a second destination that keeps bar and food lines manageable.

Paperwork & payment

- \$1M/\$2M General Liability. We send our certificate of insurance (COI) once your date is booked, or within one business day if you need it sooner.
- W-9 available on request. Approved vendor for Orange County Public Schools.
- \$250 deposit holds the date; 50% due 30 days before; balance 14 days before. Major credit cards, Zelle, Venmo and checks.
